COURT

STATE OF WASHINGTON,

Plaintiff,

v.

AFFIDAVIT IN SUPPORT OF SEARCH  
WARRANT FOR EVIDENCE OF A CRIME,  
TO WIT:

- DRIVING WHILE UNDER THE  
INFLUENCE, RCW 46.61.502
- PHYSICAL CONTROL OF VEHICLE  
WHILE UNDER THE INFLUENCE,  
RCW 46.61.504
- DRIVER UNDER TWENTY-ONE  
CONSUMING ALCOHOL,  
RCW 46.61.503
- \_\_\_\_\_

I, \_\_\_\_\_, being duly sworn and upon oath, depose and say--

I am a duly appointed, qualified, and acting law enforcement officer for the:

- Washington State Patrol
- \_\_\_\_\_ County Sheriff's Department.
- \_\_\_\_\_ Police Department.

I am charged with responsibility for the investigation of criminal activity occurring  
within \_\_\_\_\_, and have probable cause to believe, and do, in fact, believe, that

evidence of the crime(s) of:

- Driving While under the Influence, RCW 46.61.502
- Physical Control of Vehicle While under the Influence, RCW 46.61.504
- Driver under Twenty-one Consuming Alcohol, RCW 46.61.503
- \_\_\_\_\_

is concealed in, about or upon the person of \_\_\_\_\_, who is currently located within the County of \_\_\_\_\_, my belief being based upon information acquired through personal interviews with witnesses and other law enforcement officers, review of reports and personal observations, said information being as further described herein--

My training and experience regarding investigations of the above crime(s) is as follows:

---

---

---

---

---

The facts supporting the initial contact with \_\_\_\_\_ are as follows:

---

---

---

---

---

The facts supporting my belief that \_\_\_\_\_ is under the influence of intoxicants and/or drugs are as follows:

---

---

---

---

---

The defendant, \_\_\_\_\_:

- has refused to take a breath alcohol test on an instrument approved by the State Toxicologist.
- is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility, or is at a location that lacks an instrument approved by the State Toxicologist for performing breath testing, and the defendant has refused to submit to a blood test.
- is incapable due to physical injury, physical incapacity, or other physical limitation, of submitting to a breath alcohol test, and the defendant has refused to submit to a blood test.
- has refused to submit to a blood test at the request of the undersigned, who has reasonable grounds to believe that the defendant is under the influence of a drug (as further described herein).
- was not offered an opportunity to take a breath alcohol test on an instrument approved by the State Toxicologist because:
  - the available instrument is currently out of order.
  - the defendant does not speak English and the implied consent warnings are not available in a language that the defendant understands.
  - a low alcohol concentration reading on a portable breath test device makes it probable that any impairment is the result of a substance or drug other than alcohol.
  - \_\_\_\_\_.
- submitted to a breath test on an instrument approved by the State Toxicologist but the breath alcohol concentration reading of \_\_\_\_\_ is not consistent with the defendant's level of impairment suggesting that the defendant is also under the influence of a drug.

A sample of \_\_\_\_\_'s blood, if extracted within a reasonable period of time after he/she last operated, or was in physical control of, a motor vehicle, may be tested to determine his/her current blood alcohol level and to detect the presence of any drugs that may have impaired his/her ability to drive. This search warrant is being requested \_\_\_\_\_ hours \_\_\_\_\_ minutes after \_\_\_\_\_ ceased driving/was found in physical control of a motor vehicle.

The Legislature has specifically authorized the use of search warrants for blood in cases in which the implied consent statute applies. See RCW 46.20.308(1) ("Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood."). The Legislature has also specified specific classes of people as being qualified to withdraw blood for alcohol testing. See RCW 46.61.506(5).

Therefore, I request authority to cause a sample of blood, consisting of one or more tubes, to be extracted from the person of \_\_\_\_\_ by a physician, a registered nurse,

a licensed practical nurse, a nursing assistant as defined in chapter 18.88A RCW, a physician assistant as defined in chapter Ch. 18.71A or Ch. 18.71 RCW, a health care assistant as defined in chapter 18.135 RCW, or any technician trained in withdrawing blood.
